LEED certified general contractor to design and build with onsite service level agreement aftercare

## HConverters™

Enables any gasoline engine to run on H plus switch back to gasoline anytime!

**HConverters™** converts fossil fuel engines, motors & gensets to hydrogen gas:

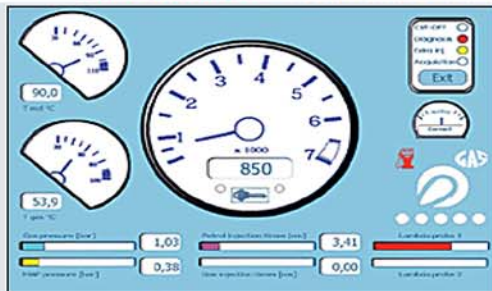

100% pure hydrogen gas or blended hydrogen gas with enriched fossil fuel:

- hydrogen gas • gasoline / hydrogen gas • switch back to 100% gasoline anytime

#### Benefits:

- cut costs • lower emissions NOx • reduce fossil fuel consumption
- same or better performance and mileage • save the earth

**HConverters™** service includes conversion, tuning, testing and aftercare maintenance

The average price of **HConverters™** is \$4,995
